Title	All That Jasmine Bath Bomb by LUSH
Brand	LUSH Cosmetics
Category	All Beauty

Quality Check

Score: 9 / 10 Verdict: ok

Insights from Reviews

- strength: Strong jasmine scent that lingers for hours
Evidence:
"It leaves my whole bathroom smelling of jasmine for hours after"
"Oh God, this bath bomb smells SO good!"
- strength: Unique color transformation in water
Evidence:
"It turns the water a pale green and the scent lingers for hours afterward"
"The color it turns your bath is very deep green, verging on blue"
- use_case: Entertaining to watch melt in water
Evidence:
"I found it very entertaining to watch the candy flower melt in the water"
"The product is fun, lasting aroma, and high quality"
- audience: Targeted at jasmine lovers and luxury bath enthusiasts
Evidence:
"A definite must-have for jasmine lovers"
"I would definitely purchase again"
- weakness: Size may be overwhelming for smaller tubs
Evidence:
"These bath bombs are wonderful. They can be a bit overwhelming if you have a smaller tub"
"To get your money's worth, I'd recommend breaking the ball up into smaller pieces"

Positioning

Value proposition: Luxurious jasmine-infused bath bomb with long-lasting fragrance and vibrant color transformation

Target audience: Floral scent enthusiasts seeking a sensory-rich bathing experience

Key differentiators:

- Unmatched jasmine aroma intensity
- Visually striking water color change
- Entertaining melt animation

Messaging

Primary message: Experience the enchanting power of jasmine in every splash with our iconic bath bomb

Tone: Exuberant, sensory-driven, and trustworthy

Supporting messages:

- Transform your bath into a vibrant green oasis with our signature color change
- Enjoy hours of jasmine fragrance that lingers long after you've finished bathing

Channels & Content Ideas

Social media

Visual appeal of color change and scent experience aligns with Instagram/YouTube content

- Time-lapse videos of bath bomb melting
- Before/after scent comparison tests
- User-generated content showcasing jasmine fragrance longevity

Influencer partnerships

Targeted at fragrance and wellness influencers with loyal followings

- Collaborative bath ritual tutorials
- Scent comparison challenges
- Product unboxing with fragrance demonstration

Offers

- Bundle with jasmine-themed gift set — Leverages customer love for the scent and visual effects
- Discount for bulk purchases — Addresses concern about product size while emphasizing value

Risks & Mitigation

- Potential size-related objections for smaller tubs — Offer smaller portion sizes in packaging options

KPIs

- Customer satisfaction score — target: 95%; measurement: Survey responses tracking fragrance intensity and color change
- Repeat purchase rate — target: 60%; measurement: Customer data tracking return purchases of bath bombs

Assumptions

- Customer loyalty to LUSH brand remains strong
- Jasmine scent is a universally appealing fragrance
- Visual appeal of color change drives engagement
