Brand	Avon Products, Inc.
Category	All Beauty

Quality Check

Score: 8 / 10 Verdict: ok

Insights from Reviews

- strength: Leaves skin feeling soft and clean
Evidence:
"It leaves your skin feeling soft yet clean"
"Very soft and creamy!"
- strength: Pleasant and lasting scent
Evidence:
"Leaves skin feeling soft with lasting scent"
"Smelt good"
- weakness: May leave a film or melt in shower
Evidence:
"Leaves a film afterward and almost seems to "melt" in the shower"
- audience: Targeted to those seeking mild, effective body care with fragrance
Evidence:
"Love, love this soap"
"Mild non-drying soap"

Positioning

Value proposition: Mild, fragrance-infused body bar with shea butter that leaves skin soft and smooth

Target audience: Individuals seeking gentle, effective body care with a lasting sensual scent

Key differentiators:

- Formulated with shea butter and vitamins
- Lasting, softening scent

Messaging

Primary message: Experience soft, smooth skin with a lasting sensual scent

Tone: Warm, trustworthy, and indulgent

Supporting messages:

- Gentle formula that doesn't dry skin
- Enjoy the soothing fragrance with every use

Channels & Content Ideas

Instagram

Visual appeal of soft, scented bar aligns with beauty aesthetics

- Close-up shots of the bar's texture and scent
- Customer testimonials highlighting softness

Email marketing

Target skincare enthusiasts seeking fragrance and softness

- Newsletter with skin care tips
- Promotional emails for 3-pack deals

Offers

- 3-pack bundle with free shipping — Leverages customer loyalty to 5-star ratings
- Free sample with purchase — Addresses potential concerns about the film issue

Risks & Mitigation

- Negative review about film/melting — Highlighting the 5-star majority and emphasizing mild formula

KPIs

- Customer satisfaction score — target: 4.5/5; measurement: Survey responses and review analysis
- Repeat purchase rate — target: 30%; measurement: Purchasing frequency tracking

Assumptions

- Most customers prioritize softness and scent over other features
- The film issue is not widespread enough to deter 5-star ratings
