Quality Check

Score: 8 / 10 Verdict: ok

Insights from Reviews

- strength: Customers love the Ylang-Ylang fragrance and its skin benefits.
Evidence:
“I can't say enough good things about this soap! Ylang Ylang is my favorite essential oil fragrance...”
“Smells great! Probably not a coincidence that I've been having better luck with the opposite sex since I got this”
- weakness: Scent inconsistency is a major complaint.
Evidence:
“Doesnt smell anything like yang ylang. Smells like old soy candle.”
“The smell is odious. I read that flower (Yang-Yang) was used in the production of Chanel # 5.”
- use_case: Popular for sensitive skin and as gifts.
Evidence:
“Bali Soaps pack of three ultra-nourishing moisturizing bars... suitable for all skin types including the most sensitive”
“These soaps are great for placing in your guest bathroom, inside a mason jar, or as gifts for every occasion”
- audience: Targeted at natural beauty seekers and skin-conscious consumers.
Evidence:
“I have used this soap for a year and it makes a difference to my skin. It brings out the natural oils in your body.”
“Great soap! Extremely pleased!!”
