Evidence:
“I have sensitive skin... I use this soap all the time...”
“Soft fragrance, nice feel, long lasting bar.”

Positioning

Value proposition: Luxury soap that's gentle on sensitive skin, long-lasting, and effective for daily use

Target audience: Individuals with sensitive skin and frequent swimmers seeking high-quality soaps

Key differentiators:

- Long-lasting bar
- Gentle on sensitive skin

Messaging

Primary message: Experience the perfect balance of luxury, gentleness, and longevity with our natural soap for sensitive skin.

Tone: Trustworthy, warm, and aspirational

Supporting messages:

- Discover a fragrance that's as soothing as it is long-lasting.
- Ideal for daily use, especially after swimming or in sensitive skin care routines.

Channels & Content Ideas

Instagram

Visual appeal of the soap and testimonials align with aesthetic marketing.

- Unboxing videos
- Customer reviews with product shots
- Behind-the-scenes of soap-making

Email marketing

Targeted messaging to existing customers and gift-giving audiences.

- Personalized recommendations
- Gift basket bundles
- Testimonial stories

Offers

- Bundle discount for purchasing both sizes — Encourages customers to buy the full bundle and maximize value.

Risks & Mitigation

- Potential confusion over the size of the large bar — Emphasize the value of the large bar and provide usage tips to manage size expectations.

KPIs

- Sales growth — target: 20% increase in sales within 6 months; measurement: Monthly sales data tracking
- Customer satisfaction — target: 4.5 average rating; measurement: Review analysis and NPS surveys

Assumptions

- Customers value natural products
- Gift-giving is a potential use case for the product
